Hainan Normal University is the Southeast Asian Teachers' Training Base for the Promotion of Chinese, under the approval of the Confucius Institute Headquarters/ Hanban, and the site for HSK in Hainan.

At present, the university has undertaken academic exchanges with over 100 universities and education institutions in 58 countries.

We have established sister relationship with 53 foreign universities and education institutions around the world, and cooperate with 10 universities in the cultivation of talents.

Our music class offers a unique opportunity to learn and perform Chinese music in the beautiful tropical setting of HNNU.

Here at HNNU, Students are taught Chinese calligraphy and given an etymological introduction to China's ancient system of writing, which is an important key to understanding and appreciating Chinese art, history and culture.
